SUBJECT: BLUE LANTERN LEVEL 3: PRE-LICENSE END-USE CHECK
ON LICENSE 05-050076770 AND 05-050077761

¶1. This is an Action Request. See paragraphs 2 - 4.

¶2. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Post's assistance in conducting a pre-license check on licenses 05-050076770 and 05-050077761 for the export of firearms and ammunition to St. Lucia. Post is requested to complete this Blue Lantern check within 30 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

¶3. Reason for Request: Unfamiliar end-users, G & T Inc. and Saint Lucia Shooting Association, have never been subject to a Blue Lantern check in the past, as they have never been party to an accepted license.

¶4. Action Request: Post is requested to establish the bona fides of end-users, G & T Inc. and Saint Lucia Shooting Association, as legitimate recipients of the United States Munitions List (USML) items listed below. Post should also question end-users' on their familiarity with the International Traffic in Arms Regulation (ITAR). The following points are provided for guidance:

(To G & T Inc. and Saint Lucia Shooting Association) -- How long has your company been in the business of importing and selling defense articles in St. Lucia? What services and products are sold by your company? Who are your regular customers and where do they reside? Are you familiar with the regulations governing the import of U.S.-origin defense articles, including restrictions on re-transfer or re-export?

In its reply, Post may also comment on any other information pertinent to these transactions such as security of facilities and concerns about the companies.
